These wines are made in Madera County or made with grapes grown here. Madera County is one of the oldest and largest grape growing areas in California. These wineries are producing wines that are exciting and delicious. To learn more about our developing wine region, read about the Madera Vintners Association from the information we have here or online.

| Zinfandel | Zabaco, Heritage, Sonoma | 2006 | 19.00 |

Red Blends

Why blend grapes after making such an effort to popularize single varieties of grapes, you ask. Balance, intensity, grip and well rounded taste are some of the best reasons. Winemaker's freedom of expression is another. These are all interesting great tasting wines that are a little different.
